**REQUEST FOR ISSUANCE OF CERTIFICATE OF CORRECTION**

Sir:

The Commissioner is respectfully requested to expedite the issuance of the attached Certificate of Correction, correcting the surname of the inventor, Dimitrios Mantas.

The error was made by PTO mistake.

If any fee is required, despite the fact that the error was made by the U.S. Patent and Trademark Office, the Commissioner is authorized to charge Deposit Account No. 14-1431 with any fee that is due.

Throughout the file history, including on official papers from the PTO, the inventor's name was correctly spelled except for one location which was the Declaration that had been submitted on January 25, 2008. That Declaration was superseded, however, by a second Declaration submitted on February 8, 2008 with a document entitled "Further Submission of Declaration and Request for Corrected Name of Inventor." Attached please find a copy of that document.

The inventor has experienced difficulty in licensing his patent because of the error in the spelling of his name and requests that the Certificate of Correction be issued quickly to help ameliorate the difficulty he is having which resulted from the error.

Favorable and expedited action is respectfully requested.

Respectfully submitted,

/PETER C. MICHALOS/
